

International summit on

Materials Science & *Engineering*

February 27, 28, & March 01, 2025

Theme:

“Innovations & Advanced Technologies in
Materials Science”

Materials Arena 2025 (Hybrid)

<https://materialscienceconference.mindauthors.com/>

Invitation

Dear Attendees,

Mind Authors is proud to announce the International summit on Materials Science and Engineering, to be held on February 27, 28, & March 1, 2025 in Bangkok, Thailand.

The Materials Arena 2025 invites individuals worldwide to take part in a prestigious conference focused on the theme of “Innovations & Advanced Technologies in Materials Science” Its purpose is to promote knowledge affirmation and the exchange of new ideas among professionals such as doctors, professors, scientists, and students in the material science and engineering fields. The event serves as a platform for sharing research experiences, engaging in discussions, and attending sessions on various Materials Science and Engineering topics. It also provides companies and institutions with the opportunity to showcase their services, products, innovations, and research findings. If your organization is interested in participating, please express your interest. The conference offers a program tailored to your interests, featuring networking opportunities, cutting-edge presentations, panel discussions, and interactive sessions with speakers from diverse backgrounds. This exciting and informative conference encompasses keynote lectures, oral sessions, symposia, workshops, poster presentations, and various programs designed for participants from around the global.

Join us at Materials Arena 2025 to exchange knowledge with your peers, stay updated on the latest innovations, and enhance your career prospects. We eagerly anticipate your presence in Bangkok, Thailand in 2025.

Best Regards,

Materials Arena 2025

Mind Authors Inc.

About the Event

Materials Arena 2025 offers a tremendous opportunity to meet and make new contacts in the field of Materials Science and Engineering, by providing collaboration spaces and breakout rooms with tea and lunch for participants between sessions with invaluable networking time for you. It allows participants and delegates to have issues addressed in Material Science and Engineering, by recognized global experts who are up to date with the latest developments in the field and provide information on Materials Science and Engineering. Materials Arena 2025 is an International conference that will feature world-renowned keynote speakers, plenary speeches, a young research forum, poster presentations, workshops, and career guidance sessions.

Materials Arena 2025 creates an international forum for Doctors, Professors, Academics, Researchers, Scientists, Health professionals, and medical professionals from all over the world to discuss the latest issues.

The Conference will have an area for firms and/or establishments to gift their services, products, innovations, and analysis results. If your company/organization is inquisitive about taking part in this event, then come and be part of this.

Hope you will take this opportunity to join us and visit the city of Ambassador Hotel Bangkok, Thailand.

Who Should Attend?

8th World Congress on Materials Science and Engineering is all set to bring the renowned personalities from the Mat Science community to discuss about the Current and future possibilities of Mat Science combined with its challenges which lies ahead of us It brings out the gathering of the world-leading and famed academicians, commercial enterprises, foremost investigators, researchers, students to witness the futuristic ideologies put forth by way of the experts. This knowledge oriented three-day event deliberates the new strategies, convictions that will have an impact on the method of your expert development. Join us with your research and enterprise methods which will be beneficial for the development of Mankind with Mat Science playing a major role in it.

Reasons for Materials Arena 2025

- Up-to-date research, current and emerging Healthcare & Medicinew new changesthat will be exclusively discussed at the conference. Do not let old and outdated information hold you back!
- Discover how other research can play a key accelerator role in your work and give you a competitive edge in achieving precision in desired results. Discover better ways to innovate, collaborate, work, and report.
- Get inspired by talking face-to-face with thought leaders, subject matter experts, and peers. Tap into their knowledge; discover innovative services that can benefit your research work.
- With participants representing many countries, your ability to engage with global sustainability leaders and your opportunity to see your work from a global perspective will be worth it.
- Each presenter will have some time for a Q&A session after their presentation, where you might receive questions about a challenge in your workflow or are looking for advice on implementing new techniques in your work. Hence, you will get some solutions and tips, which might be helpful for you.
- An idea is usually generated intentionally and created unintentionally. Ideas are often formed during brainstorming sessions or discussions.
- Bring your expertise to the local level and help the community through collaboration and networking. If you would like to speak at the conference, please submit your content ideas and boost your professional status.

Scientific Sessions & Tracks

- Materials Science and Engineering
- Nanomaterials and Nanotechnology
- Nanomaterials and Nanotechnology
- Catalytic Materials & Green Chemistry & Food Chemistry
- Ceramics, Polymers and Composite Materials
- Electrochemistry and X-ray Diffraction
- Textile Manufacturing and Engineering
- Electrical, Optical, Ceramics and Magnetic Materials
- Thin films, Corrosion, and degradation of materials
- Industrial Chemistry & Applied Chemistry
- Emerging Smart Materials
- Advances in Nano Materials Science
- Nano Materials & Nanocomposites
- Computational Materials Science
- Materials Chemistry, Sustainable Chemistry and Materials Physics
- Metallurgy, Corrosion, and Mining
- Surface Science and Engineering
- Emerging Trends in Materials Science
- Polymer Science and Technology
- Materials for Energy and Environmental Sustainability
- Advanced Energy Materials
- Surface Science and Engineering
- Emerging Trends in Materials Science
- Thin films, Corrosion, and degradation of materials
- Advances in Instrumentation Technology
- Mining, Metallurgy and Materials Science
- Advanced Materials and Devices
- Nanoporous Aerogel Materials
- Fibers and Composites

About Hong Kong

Hong Kong, located in the heart of Southeast Asia, is a city known for its rich history, vibrant culture, and remarkable contributions to commerce, technology, and the arts. With its well-preserved temples, bustling markets, and modern skyscrapers, Bangkok offers a diverse range of experiences for visitors and residents alike. From the bustling capital of Thailand, with its iconic landmarks and thriving creative scene, to the serene beaches of Phuket and the lush landscapes of Chiang Mai, Bangkok captivates with its distinct regions and unique traditions. Renowned for its hospitality and culinary prowess, Bangkok has established itself as a global leader in tourism and hospitality, particularly in the hospitality and service industries. Beyond its economic achievements, Bangkok also cherishes a strong commitment to environmental sustainability and social welfare.

The city's efficient public transportation, excellent education system, and universal healthcare are testaments to its dedication to the quality of life for its citizens. Whether exploring its historical landmarks such as the Grand Palace and Wat Arun, indulging in culinary delights like pad Thai and mango sticky rice, or immersing oneself in the welcoming Thai culture, this diverse city offers a captivating blend of tradition and modernity.

Interesting Facts about Thailand:

Bangkok, the bustling capital of Thailand, is a melting pot of culture and history that captivates visitors with its vibrant energy and rich heritage. Nestled amidst iconic landmarks like the Grand Palace and Wat Arun, the city seamlessly blends its ancient traditions with modern innovation.

Diverse neighborhoods like Sukhumvit, Silom, and Chinatown offer a myriad of experiences, from bustling markets and ornate temples to luxurious shopping malls and exquisite dining options. Bangkok's dynamic nightlife scene is legendary, with rooftop bars, night markets, and world-class clubs hosting cutting-edge entertainment.

As you wander through its streets, Bangkok's architectural diversity enchants you, showcasing a fusion of ancient temples, colonial buildings, and sleek skyscrapers. From the serene beauty of Lumpini Park to the chaotic charm of Khao San Road, Bangkok's allure is irresistible to both locals and tourists alike.

The city's thriving arts scene, tantalizing street food, and vibrant street life make it a beloved destination for travelers from around the world.

With its rich history, multiculturalism, and boundless creativity, Bangkok continues to reinvent itself while paying homage to its remarkable past, making it a city like no other.

Conference Registrations

Registration Fee (Per Person) Academia Registration Fee:

Type	Before August 31 st , 2024	Before October 31 st , 2024	Final Call January 31 st , 2025
Only Registration	\$499	\$599	\$699
Poster Presentation	\$599	\$699	\$799
Listener/Delegate	\$649	\$749	\$849

Student Registration Fee:

Type	Before August 31 st , 2024	Before October 31 st , 2024	Final Call January 31 st , 2025
Only Registration	\$499	\$599	\$699

Sponsorship & Exhibition Registration Fee:

Type	Before August 31 st , 2024	Before October 31 st , 2024	Final Call January 31 st , 2025
Sponsorship	\$2999	\$3499	\$3999
Exhibition	\$3499	\$3999	\$4499

Registration fee Includes:

- One Presenter/Listener Slot
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recordings & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as a Listener for one year from the date of the conference.
- Lunch during the conference

Conference Accommodations:

Type of Accommodations	Amount in Dollars
Stay Pack A (Two Nights Stay)	\$999
Stay Pack B (Three Nights Stay)	\$1199
+1 EXTRAACCOMMODATION	\$1399
(ONE NIGHT)	\$249
Extra Person (Accompany)	\$299

All Packages (A, B & C) include:

- Complimentary Wi-Fi in the guest rooms
- Complimentary Breakfast
- Speaker/Listener Pass
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recording & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as Listener for one year from the date of conference

SPONSORSHIP

Materials Arena 2025 is an exciting opportunity to display the new developments, the new technologies of your company, and/or the service your industry may offer to a broad international audience. Materials Arena 2025 delivers over 100+ attendees from over 40 countries supporting the development and commercialization of innovations in the field of Materials Science and Engineering. As an exhibitor, you will access the medical professionals, researchers, doctors, professors, faculties, and commercialization leadership that rely on your products and services to develop these new technologies.

Sponsorship Benefits	Exhibitor Benefits
<ul style="list-style-type: none">• Draped booth space of 3*6 meters with priority to purchase exhibition space and choose booth location• Two conference passes & Three booth personnel passes• Web listing with link to your company website• Publication of the exhibitor profile in the souvenir (2 A4 colour pages)• Logo recognition in the scientific program, Conference banner and flyer.• Participation in the One-on-One Partnering Program• Acknowledgement during Opening Ceremony & Gala Dinner• Speaker Opportunity in the conference program• Company logo on all on-site signage• An exclusive online Promotion on all our Social Networking Sites.• Three inserts provided by the sponsor in the congress delegate bags.	<ul style="list-style-type: none">• Draped booth space of 3*3 meters• One conference passes & one booth personnel pass• Web listing with link to your company website• Publication of the exhibitor profile in the souvenir (1 A4 page)• Logo recognition in the scientific program, Conference banner and flyer.• One Presentation Slot about the organization.• Advertisement Video on conference website

Who Can Exhibit?

- Commercial Organizations
- Research Laboratories
- Universities/Institutes
- NGO's
- Start-up Companies
- Journal Publishers

Why to Sponsor?

Sponsorship powerfully influences audiences more than any other tool. It is a direct cost-effective way to capture your target market. Aside from valuable brand exposure through out the event campaign and during the event itself, sponsorship is your route to addressing our audience with your knowledge and experience through our unique program of conference and learning sessions.

Our sponsorship packages are customized to our client's specifications. We understand that every business is unique and will work with you to develop a package that meets your business's individual goals and objectives.

Exhibitions allow you to advance all your marketing goals:

- Long term building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnership with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent

About Mind Authors Inc.

Mind Authors Inc. is initiated for conducting online and Physical events globally. Mind Authors Inc. involves in planning, Organizing, and executing scientific events across the globe with people from different scientific backgrounds coming together and participating in these events. Our attendees include academicians, professors, students, and Industrialists whom they come together to join and share their knowledge. Our organization believes in imparting holistic and sustainable development with the mission to ignite young Turks and prepare them for future challenges.

Our focus is to make available scientific research articles in all areas of education easily accessible by researchers and academicians based on the open-access platform. We believe that the open-access model will create a dynamic space for learning, sharing, and stimulating research all around the world.

We provide the opportunity of free, unrestricted access to excellent research articles to academia, researchers, and interested individuals who seek knowledge and enlightenment. Mind Authors Inc. believes that knowledge should be easily accessible without restrictions. It understands the unique challenges faced by researchers in their work toward achieving their personal and professional fulfillment.

BOOK MARK YOUR DATES FROM

February 27-28 & March 01, 2025

We are excited about the opportunity to meet you in Bangkok Thailand.

A captivating learning experience awaits your arrival.

Let's create unforgettable moments that we can treasure in the future.
